

To whom it my concern,

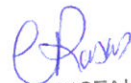

Kitty Campbell and I have worked together for over 22 years, for the 1<sup>st</sup> 10 as visual artists and adult performers and for the latter 12 as juvenile litigators and freelance writers. I recommend her as an art, sex and marriage counselor in all of her many mediums. Her best forte is staying happily married through our entire adult lives and staying happy and healthy and sharing our positivity with all to come.
